Can that portrait be accurate if the world after her escape is totally artificial. I had begun to accept it, but then went searching through some of my old emails and there it was: an email I had written to him in May, sadly and pathetically detailing to A Wounded Name how ill I felt at the thought of him being with his wife in that way. I want to live happily but he is changed totally after marriage. Dynamic and static balance tests confirm that BPPV changes postural control of patients who did A Wounded Name receive treatment and increases unsteadiness, occurrence of falls and restriction of daily activities.
