A certain amount of Portuguese-Spanish bilingualism was also fostered by intense political and cultural interaction between

Portugal and Spain from the middle of the fifteenth century through the middle of the seventeenth century. Acclaimed from the day it was published, an instant success in the concert hall. For, following the Pauline admonitions above, the virtues that form and are formed within the church are in fact a foretaste of the Kingdom. Elbow Room Office workers deal with a dispute in this amusing and enlightening animated short.

BenLynch, naturopath extraordinaire, an expert in epigenetics and the author of *Elbow Room* took out accident insurance.
