One can be both action oriented and reflective. I get off here at six.

### **Materials Science: An Intermediate Text**

The mystery in it is in epic levels and what makes you feel is out of this world I was seriously excited when I heard about this book months ago that it was one of my most anticipated reads for November. But I do see your point that it may also have been better not to show negative themes, such as homophobia at all and to showcase diversity instead.
