Eliot reads the translations in the Tenne Tragedies as a historical passage from the old Tudor language, still chained to Chaucerian models, to the Elizabethan one, based on Seneca. In this case, yes. She becomes obsessed about her physical appearance and uses charms learned from Merlin to keep herself young looking. I wouldn't call this super slow burn, because we get some super charged moments, but it's no insta-love either THANK GOD ; there are no sexy times in the book.
